EXPERIENCE

Software Developer (WordPress) | Milani Electric and Solar Pvt. Ltd. (Sister company of Milani Plumbing, Heating & Air Conditioning, Canada) | Jan 2026 – Present

- Worked directly with the Canadian parent company team (Milani Plumbing, Heating & Air Conditioning, BC, Canada) to develop and manage their web presence, gaining hands-on experience in remote-first, cross-border collaboration.
- Architected and delivered a scalable multi-location WordPress website system using Bricks Builder, enabling rapid city-based page creation and reducing new-location setup time by an estimated 60%.
- Engineered geolocation-based content rendering to personalise user experience dynamically, improving content relevancy for regional audiences.
- Developed WordPress plugin to extend core CMS functionality, automate dynamic content management, and eliminate reliance on third-party plugins.

Software Developer (React / Frontend) | Compunnel Software Group, Inc. | Jul 2022 – Jan 2023

- Built and enhanced reusable React.js UI components for Red Hat's client-facing eBook platform, implementing WCAG 2.1 a11y standards to improve compliance and usability across the board.
- Diagnosed and resolved complex UI bugs (layout, rendering, interaction) and collaborated asynchronously with cross-functional teams on multiple dashboard interfaces, demonstrating strong remote ownership.

Coding Mentor – Web Development | WhiteHat Education Technology Pvt. Ltd. | July 2020 – July 2022

- Delivered structured remote learning content on HTML, CSS, JavaScript, REST APIs and CRUD via a game-based learning platform; guided students in building accessible, interactive projects and integrated AI-assisted development workflows and automation tools into the curriculum.

Program Associate | Channelplay Limited | March 2018 – March 2019

- Managed client projects for global brands including Adidas and Hublot, conducting operational and mystery audits across retail locations.

Frontend Intern | IBM India Pvt. Ltd. | June 2016 – July 2016

- Designed and delivered responsive landing pages for Vodafone product campaigns, applying mobile-first design principles

EDUCATION

- B.Tech ECE — NorthCap University, Gurugram, India | 2014 – 2018 | CGPA 7.31
